Euthenics Completes 42 - Month Medical Equipment Planning and Procurement Services Project

The new Joe DiMaggio Children's Hospital is a 160,000 sq ft, 4-story Children's Pavilion. The first floor of the Children's Pavilion includes a lobby, admitting and registration areas, pediatric ambulatory services, a café and gift shop, family amenities and the service departments of environmental, security and supplies.

The second floor houses the Pediatric OR Suites, which mainly services outpatients and two GI / Endoscopy / Special Procedure Suites. In addition, administration is on this floor as well as a conference center.

A 24 - bed medical surgical unit occupies the third floor as well as Pediatric Radiology and Diagnostic services for children.

The fourth floor includes a 24 - bed inpatient oncology unit and outpatient services for pediatric oncology. There is also a pharmacy to support those services.
